

Greetings Jessica Smith:

As per our discussion today, I wanted to recap in writing to ensure that you have all the detail you need to obtain coverage.

In accordance with your inquiry concerning health care to cover prenatal care.

There are several options to apply for NJ Family Care. You apply by phone or on line

http://www.njfamilycare.org/pages/who_njkc.html

You can also receive immediate medical care by visiting a community health clinic and they will assist you with processing the application on your behalf.

Neighborhood Health Center has several locations in Plainfield and Elizabeth they will complete the application and you can receive care immediately see link for detail and services <http://www.phcmednet.org/>
