

CLASSIFICATION CHART

Auditory Impairment	Multiple Disabilities	Specific Learning Disability
Autism	Deaf/Blindness	Traumatic Brain Injury
Intellectual Disability	Orthopedic Impairment	Visual Impairment
Communication Impairment	Other Health Impairment	Preschool Child with a Disability*
Emotional Regulation Impairment	Social Maladjustment	Eligible for Speech/ Language Services Only**

* “Preschool Disabled” is a child between the ages of 3 and 5, experiencing developmental delay in one or more areas, who requires special education and related services. “Developmental delay” means a 33% delay in one developmental area or a 25% delay in two or more areas.

** Eligible for speech-language services only means a speech disorder in articulation, phonology, fluency, voice, or any combination, unrelated to cultural differences or influence of a foreign language. These students do not require any other special education services. This is NOT an option for students age 3-5.
