

## *What questions can parents ask to learn more about how MTSS works in their child's school?*

- What curriculum is being taught in my child's classroom?
- What are the targeted interventions that my child's school is using if he/she is struggling in the classroom?
- What are the formal guidelines my child's school is using for progress monitoring?
- How will I be informed of the progress my child is making?
- What happens if an intervention is not working?

Parents play a critical role in supporting what their children are learning in school. Research shows that the more parents are involved in student learning, the higher the student achievement.

## *There are many ways parents can support what their child is doing in school. Here are a few:*

- Make reading an everyday habit at home
- Communicate with your child's teacher
- Monitor and assist with homework assignments
- Ask for regular monitoring reports
- Share your child's successes
- Learn more about the curricula and interventions being used in your child's school
- Attend parent/teacher conferences and other school meetings about your child
