**Wednesday, December 1, 2021
12PM - 1PM**

Circle Time with Parents

"Teach Me What To Do"

Join us as we talk about our observations of our children's play and behavior.

We will discuss the importance of teaching a child the importance of controlling their emotions, developing relationships, interactions with others to become effective problem solvers. In this session, parents will learn:

* Strategies and ideas to try at home to teach your child what to do:

We will cover:

- *Emotional literacy
- *Controlling Anger and Handling Disappointment
- *Problem Solving
